

CONSENT FOR BACKGROUND CHECK VISITING NURSES

The State of Kansas requires a criminal background check and/or verification of license/certification in good standing for individuals employed in home health agencies.

Information regarding a conviction record will not necessarily bar an applicant from employment; individual circumstances will be considered relative to the position.

Have you ever been convicted of a felony or misdemeanor? Yes No

Have you ever been convicted of a health care related crime? Yes No

If yes to either questions, please explain (include State or Territory, Country, Year, Description of Offense)

Are you working for or have you worked for a company that is on the Inspector General's sanctions list? Yes No

If yes, what was your involvement? _____

I understand I may be hired on a conditional basis pending the results of a criminal background check, verification of license/certification in good standing and motor vehicle record (MVR) check. I understand that if hired, periodic background checks may be done and ongoing employment is contingent pending the results of subsequent criminal background checks, verification of licensure, certification and motor vehicle record (MVR) checks.

I attest to the accuracy of the information above and understand that any misstatement or omission of fact may be considered cause for dismissal.
