"I'm so glad I had my necklace on. My husband had a stroke and I pushed my button and the ambulance arrived quickly. Thank you, CareLink." -Marjorie D.

The Right Help

Knowledgeable, caring Support Center staff are trained to accurately determine what level of assistance is needed, and contact a friend, family member or medical personnel to respond as quickly as possible.

What to Know

- 1 out of 3 seniors fall each year, and among individuals over 65, falls are the leading cause of death due to injury
- 82% of falls happen when the individual is alone
- 78% of reported falls happen in and around the home
- Studies report that 92-96% of Medical Alert users were able to get off the floor within 60 minutes

A Variety of CareLink® Devices to Fit Your Needs

CareLink equipment is very reliable, offering hands-free, 2-way capability, the light-weight and water-resistant pendants are small and easy to wear. For assistance, simply press the pendant button.*
